Tunify Green

With Tunify Green, you have access to **highly varied music agendas, tailored to your business**. Use the agendas from Tunify's music experts and new playlists will follow each other automatically, playing music suited to the time of the day.

Tailor-made agendas

With Tunify Green, you have a variety of music agendas tailored to your business, curated by Tunify's music experts.

Simple to use

Just click on your business type and Tunify will start an agenda that plays endless music.

Automatic

Tunify switches to playlists designed to suit the time of the day.

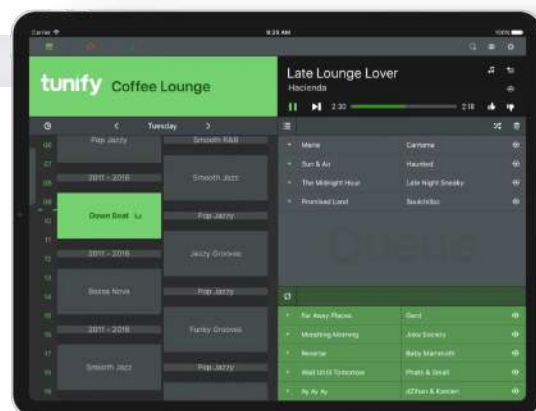

Always up to date

Expanded music collection with daily updates.

TUNIFY GREEN

24 months	€ 959,76	(= € 39,99/month)

Tunify Add-ons

Audio Messages

Notify your customers of running promotions and communicate general messages

You can schedule audio messages according to a certain frequency per hour, at fixed times or around opening and closing hours.

Audio spots are automatically distributed in the best possible way between music tracks.

Upload as many of your self-made audio messages as you like.

€ 4,99 / zone / month

Music ID

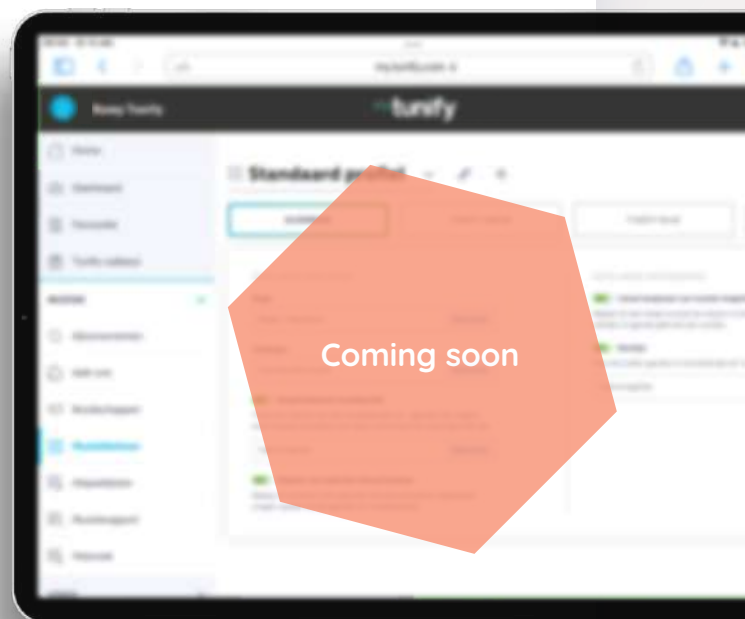

More choice, more control and more insight: all you need to get the most out of the music in your business

Gain access to even more music agendas and channels and decide exactly which music agendas and channels are allowed to be played in each zone.

Share your own playlists and music agendas between all zones and mix your favorite music channels together.

Have your music change automatically during a specific time period or based on external triggers.

€ 4,99 / zone / month

What does this cost consist of?

-  Royalties
-  IT services
-  Tunify services

Royalties: Tunify pays a fee to the music industry for providing a commercial music catalog. This fee does not cover the public performance rights and/or neighbouring rights. The customer is responsible for these licenses and payments to collecting societies/performance rights organisations (PROs). **IT services:** this includes costs related to streaming, hosting and security. **Tunify services:** this is the fee for access to our (web) apps and mobile applications and keeping our music lists and agendas up-to-date, among other things.
